DCID 1/5 of \_\_\_\_\_ 1975 created the position of Special Assistant to the Director of Central Intelligence for Strategic Warning and a Strategic Warning Staff to be composed of senior professional intelligence personnel provided by the USIB departments and agencies with the Defense Intelligence Agency providing the facilities.

Accordingly you are invited to nominate one (two) officer(s) to serve on this Staff which will begin its operations on 3 March 1975. Needless to say I think it important that we all nominate our best qualified people for tours of duty with this Staff. Attached is a brief position description of the job I would like your analyst(s) to fill. I believe your present representative(s) in the National Indications Center could handle this assignment if you desire to have them continue with the new Staff.
